

Lake Toxaway
CHARITIES

January 15, 2022

First on behalf of Lake Toxaway Charities, we would like to thank you for your valuable work in our community; our grant committee is looking forward to learning your organization's 2022 plans for Transylvania County and how Lake Toxaway Charities may assist your organization's efforts for our beloved community. We are accepting grant funding applications online or you may apply via paper application and postal mail. Instructions for both are available in our guidance section below. Your application is due no later than March 1, 2022.

If you decide to apply for Lake Toxaway Charities funding, we want you to know there may be a site visit to your agency in the spring to help our committee better understand the needs of your organization. In addition, it is important to note, each agency request stands on its own merit; there are no automatic funding/guarantees for continued funding. Decisions on funding recommendations will be made in June, 2022. If you have any questions, please call Carroll Summerour at 828-877-5383 or Frank Stark at 404-387-1690

Lake Toxaway Charities' mission is to assist Transylvania County residents by supporting the outreach, medical, and educational organizations that administer to the abused, disabled, indigent, and those with special needs. This year we will have five focus areas; the hungry, the homeless, the abused, healthcare, and education. In addition to that, we will have a new process which will require more oversight, monitoring, and tracking results.

Thank you again for all you do for those who need it most in our area.
Sincerely,

Carroll Summerour, Lake Toxaway Charities Grant Committee Co-chair
Frank Stark, Lake Toxaway Charities Grant Committee Co-chair
