

Meals On Wheels is calling for volunteers to deliver 8-10 meals weekly to homebound seniors who live in Brevard and surrounding areas.

MOW of Brevard delivers meals Monday-Friday, which includes all holidays. Our volunteers meet at Transylvania Regional Hospital at 10:30am to pick up meal bags and head out to drive the routes. Generally, each driver has completed the route by noon and is on with their day.

Our current need is substitute drivers who can commit to driving 2-4 routes per month to fill in when other volunteers need time away.

We are asking for a small part of your day, but your time and smiling face will enhance the lives of those you greet as you deliver the food they need.
